File 2- Mara

**Page 2 – Note re history:** The heirs to this estate are the decedent's two living sons, Gary O'Meara and James Mara, pursuant to intestate succession and an assignment filed 11/21/14 by John G. O'Meara, Jr., son of a third predeceased son.

Gary O'Meara (represented by Attorney Melvin Rube) was appointed Administrator with Full IAEA without bond on 1/4/06. On 12/1/14, he was removed and ordered to account and turn over all paperwork pertaining to the estate to the Public Administrator. (Per Substitution filed 8/26/15, Gary O'Meara is now self-represented.)

Gary O'Meara filed his First Account as ordered on 1/22/15, and objections were filed thereon by James Mara (represented by Randolph Krbechek) and also by the Public Administrator. (Per Substitutions filed 1/15/16 and 2/2/16, James Mara is now represented by Attorney J. Stanley Teixeira.)

At Settlement Conference 4/12/16, agreement was reached for distribution as set forth in this petition.

**NEEDS/PROBLEMS/COMMENTS:**

**Note:** **Response to Examiner Notes filed 9/9/16 states** the Court is respectfully referred to the Note re history provided by the Examiner above. The PA is trying to close the estate by distributing cash to one heir and the real property to the other. The order for settlement agreement was filed 9/21/16.

1. Petitioner states that the household furniture and furnishings valued at \$1,000.00 and mechanic's tools located at the real property valued at \$5,000.00 never came into Petitioner's possession, and neither the settlement agreement nor this petition appear to distribute them to either beneficiary. The Court may require clarification.

**Response filed 9/9/16 states** *there was no discussion of the personal property at the settlement conference or in the agreement. The two heirs did not raise the issue of the furniture/furnishings and tools, and they reached agreement, so the PA asserts these items do not need to be accounted for to close the estate.*

2. The Order for Settlement Agreement entered 4/21/16 requires that James Mara deposit funds sufficient to cover the \$55,000 distribution to Gary O'Meara and the statutory commissions and closing expenses of the estate with the PA within 90 days of signing, and indicates the PA would then petition to close and distribute the estate. Petitioner does not indicate that such funds were received from James Mara and instead requests the Court order that the Court order that James Mara be responsible for payment of Gary O'Meara and the remaining amounts as ordered. The Court may require the amounts to be deposited with the PA for distribution pursuant to the Order for Settlement Agreement, or alternatively may set a status hearing re payment, if ordered as prayed.

**Response filed 9/9/16 states** *deposit of cash by James Mara became a case of catch 22. He was expected to deposit funds, but he needed to obtain a loan using the real property as collateral to have the money to do so. The settlement intended for him to receive the real property after the deposits were made. Each was contingent on the other. If James Mara is unable to obtain funds to deposit with the PA before first obtaining the property, then the PA agrees with the Examiner's alternative suggestion to set a status hearing re payment of fees.*

**SEE ADDITIONAL PAGES**

**Page 3 – NEEDS/PROBLEMS/COMMENTS (Cont'd):**

3. The proposed order does not include distribution of the real property to James Mara. If granted, need revised order pursuant to Local Rule 7.6.1.A, which states the order should be complete in itself and set forth property descriptions with particularity required of judgments in civil matters.

**Response filed 9/9/16 states** the PA will submit a revised order.

4. Petitioner requests the entirety of the statutory compensation be paid to the Public Administrator and County Counsel (the Successor Administrator and his attorney). Need clarification with reference to Probate Code §§ 10805 and 10814, which state compensation shall be apportioned among two or more personal representatives and attorneys, or agreement with Gary O'Meara, Former Administrator, and Attorney Melvin Rube, his attorney.

**Response filed 9/9/16 states** it was Gary O'Meara's misappropriation of funds and failure to close the estate that led to the PA's appointment and it was never contemplated that he would receive a share of the statutory compensation. Re the attorney, County Counsel will discuss with Attorney Rube before the next hearing on 9/19/16

**NEEDS/PROBLEMS/COMMENTS, continued:**

1. Statutory fee calculation is incorrect, as it has been based upon a miscalculated fee base of **\$304,091.14**, whereas the correct fee base is **\$404,091.14**, resulting in a correct statutory fee of **\$11,081.82**, rather than **\$9,081.82**. Need amended petition with notice of the amended petition and the changed statutory fee to which the attorney is entitled. Alternatively, attorney may accept a reduced fee of **\$9,081.82** and waive the remaining **\$2,000.00** in statutory fees, such that the notice as has been given for this hearing is sufficient, and the petition need not be amended.
2. *Exhibit B, Costs Advanced* lists **\$60.00** filing fee for blocked account. The *Ex Parte Petition for Withdrawal of Funds from Blocked Account* filed 8/8/2016 is an unnecessary petition because the *First and Final Report, etc.* filed 8/8/2016 serves as both the petition for settlement of account and for withdrawal of funds. Court may require the **\$60.00** fee be deducted from the costs paid to the attorney. (Typically, two orders are submitted for the single accounting petition: (1) Order settling account; and (2) Order to withdraw funds from blocked account.)

The decedent was represented by Attorney Mary Moshrefi in dissolution proceedings. After he executed the will, the original was given to the decedent. As expressed to Attorney Horton, the decedent's desire in executing the will was to ensure that his wife not receive any distribution from his estate following his death. He was adamant about this. On 1/12/16, Attorney Horton met with the decedent at Willow Creek Healthcare and he reaffirmed this desire, and executed an Interspousal Transfer Grant Deed breaking the joint tenancy on his residence to ensure that his share would go to his daughters as stated in his will. Although the dissolution proceedings were initiated in 2011, no resolution or judgment was reached prior to his death.</p>	<p><b>NEEDS/PROBLEMS/COMMENTS:</b></p> <p><u>Note:</u> This petition requests that the decedent's lost will dated 3/24/15 be admitted to probate.
